Last updated on November 18, 2020 If you are like me and really in self-development, you have probably read many of the thousands of self-help books on the market. But like me, you probably find all the information a little overwhelming. That's why I wanted to take on the selfless task of taking the most important, life-changing lessons I've learned from these books and summarised them into 50 key points. Here are 50 habits of successful people you should learn:1. Believe It To See ItOur minds tend to focus on what is happening around us and refuse to see what might happen. Only if they trust in what is possible and dare to dream big can great things happen for you.2. See problems as a wonderful giftWhile others just see and give up problems, successful people use the problem as a lesson to find improvements in themselves or the task ahead.3. Keep looking for solutionsEven if they are knee-deep in problems, successful people will still focus on finding solutions.4. Remember, it's all about travelSuccessful people are conscious and methodical in creating their own success. They don't sit around and the most necessary, in the hope that success will find it.5. Feel the fear and do it definitelyIt's so much fear on the way to success, but instead of letting that fear control and limit it, successful people do a good job of just going forward, regardless.6. Always ask productive questionsIt's all about asking the right questions. Successful people ensure that these are issues that information for a more productive, creative and positive way of thinking.7. Understand the best waste of energy is ComplainingSuccessful people know that choosing to see the negative side of things will only create a useless and unproductive state.8. Don't play the Blame GameTaking responsibility for actions and results is a form of empowerment on which you can build your success. While the act of apportioning blame to other or external circumstances takes this empowerment away from you. 9. Maximize your strengthsNot every successful person is simply more talented than the rest, but they use what they know they are good at achieving more successful results.10 Be in It to Win ItSuccessful people are busy, productive and proactive. Instead of thinking about it and over-planning a great idea, they just take a step in that direction, no matter how small they are. Know That Success attracts successful people and seeks like-minded people. They understand the importance of being part of a team and forging win-win relationships.12. Actually choose to be successfulDreaming great is a massive part of success, even if your dream seems impossible. Ambition is a mindset that must be a daily conscious decision.13. Visualize, visualize, visualize! You have to see your success in your head before it comes. Successful people clarify and get this certainty about what their reality should look like, rather than just being a spectator of life.14 Be a one-time originalsuccessful people looking for what works and then create a unique spin on it. Imitating regurgites only the ideas of other people without originality.15. The Perfect Time to Act Is NowWaiting for the right time to act is basically procrastination wrapped up in an excuse. Successful people know that there is never a perfect time, so they can do it now.16. Keep Learning, Keep GrowingContinuous Learning is the key to a successful life. Whether you are an academic, a student of life or a workable learning, it is about expanding your knowledge and personal development.17. Always look at the bright side of lifeSuccessful people have the knack of finding positive aspects in all people and circumstances, no matter what.18. Do you have a bad day? Do It Anyway! We are all in a bad mood, but it should not be an excuse to stop everything. Giving in a bad mood just stops your life, slowing success far down.19. Sometimes risky business is NeededCalculated risks are a must for success. It is a question of weighing up the pros and cons and, at the same time, moving forward with this element of trust. 20. Accept challenge All timedealing with problems frontal is a must to be successful. Successful people also face challenges to improve.21 Make your own luckIn the mindset of a successful person there is not such a thing as happiness or fate. They take control of actively and consciously creating their own best life.22. Ignite your initiativeWhile many people people successful people are proactive – and take action before they need to. Be the master of your emotionsThe effective management of emotions is the key on the way to success. That's not to say successful people don't feel the way we all do, but they're just not slaves to their emotions.24 Champion in communication Conscious work on effective communication skills brings everyone closer to success.25. Plan Your Life StrategicAllySuccessful People live are not a clumsy series of unplanned events and outcomes, they work methodically to make their plans a reality.26. Being exceptional at What You DoTo will be exceptional, you usually need to do things that most don't. To succeed, tough decisions must be made, and it is critical to respond to them.27 Choose to live outside your comfort zoneWhile many people are pleasure junkies and avoid pain and discomfort at all costs, successful people understand the value and benefits of working through the hard stuff that most would avoid.28. Life by Core ValuesSuccessful people first identify their core values and what is important to them, and then do their best to live a life that reflects these values.29 Recognize that Money isn't EverythingMoney and success are not interchangeable, and the most successful people understand this. Putting money on a pedestal and equating it with success is a dangerous mindset. Success takes many forms. Don't Get Carried AwaySuccessful people understand the importance of discipline and self-control and as a result they are happy to take the path less traveled. 31. Self-worth is not tied to successSuccessful people are safe. They do not derive their self-esteem from what they own, who they know, where they live, or what they look like.32 Kindness breeds kindness (And success)Generosity and kindness is a common characteristic among long-term successful people. It is important to enjoy helping others to achieve.33. More humility, less arroganceSuccessful people are humble and happy to admit and apologize for mistakes. That's because they rely on their skills. They are happy to learn from others and happy to make others look good instead of seeking their personal glory.34 Change Opens New DoorsPeople who are successful are adaptable and embrace changes, while the majority are creatures of comfort and habit. They feel comfortable with and embrace the new and the unknown.35. Success requires a healthy bodyIt's not just how you think it's about how you show up for success. Successful people understand how it is to be physically good, not for futile reasons, but because being in tiptop state creates a better personal life for success.36. Laziness simply does not existSuccessful people are never considered lazy. Yes, they can relax when they need to, but working hard is their game.37. Resilience through bucket load When the difficulty strikes, most would throw in the towel, but successful people are warming up.38 Feedback is just another chance, opportunity to People react to feedback determines their potential for success. Improving openness to constructive criticism and action on them is most visible to those who succeed.39. Your Vibe Attracts Your TribeWhen people are hanging out with toxic and negative people, they need to take a look at themselves. Successful people are connected with others who are positive and supportive. Can't control it? Forget itSuccessful people don't invest time or emotional energy in things they don't have to control.41. Swim Against the TideSuccessful people are not human-favors and they don't need constant consent from others to move forward. 42. Time alone is valuable timeMore self-worth means feeling more comfortable with your own company. Successful people are happier and see the value of spending time alone.43. Self-Standard Is Higher Than MostEveryone has the choice to set high standards. Successful people do this, which in turn leads to more commitment, more dynamism, better work ethic and, of course, better results.44. Failure is not rationalizedWhile many people use age, health,

lack of time, bad luck, or lack of opportunity to explain their failure, the key to success is to find a way to succeed despite these challenges.⁴⁵ Down time is an important part of a routine. Having a switch and taking time to do things that make them happy is a common characteristic of a successful person. Take a look at here The importance of planning downtime.⁴⁶ Career is not who you are, it's what you do. Successful people know their career is not their identity. They are multidimensional and do not define themselves by their job.⁴⁷ Interested only in the path of resistance. While most people are looking for the easiest way or the abbreviation, successful people are more interested in the most effective way. They are looking for the best outcome in the long run.⁴⁸ Follow Through. Many spend their lives starting things they never finish, but successful people get the job done. Even if the excitement and novelty have subsided, they still follow through and finish.⁴⁹ Invest in all Your Dimensions. We are not only physical and psychic beings, but also emotional and spiritual creatures. Successful people consciously work to be healthy and productive at all levels.⁵⁰ Put your money where your mouth is to achieve success, it is important to practice what you preach. Successful people don't talk about the theory, they live reality. So you have it, a summary of what I learned from self-help books. But of course you have to start so that you can also get closer to success. Bonus: 5 Bad habits to end. More about success. Featured Credit: Juan Jose via unsplash.com unsplash.com unsplash.com
